  CoDing Seekho |
  April 2025

## 👤 About

Aspiring Web Developer with strong skills in programming and modern web technologies. Experienced in building responsive websites and web applications using HTML, CSS, JavaScript, and Kotlin. Actively participated in tech events and passionate about learning, growing, and contributing team.

## 🎓 Education

**SAGE University**

BTECH | 2023 - Present

**SANJAY HIGHER SECONDARY SCHOOL MADA**

Class XII | 2023 | 62%

**SANJAY HIGHER SECONDARY SCHOOL MADA**

Class X | 2021 | 42%

## 🏢 Work Experience

**Raghuraj Engineering works**

Vocational Experience | Sep 2021-Aug 2023

I began my learning journey by assisting in a local workshop with measurements, materials, and tools. This hands-on experience sparked my interest in engineering and helped me build discipline, responsibility, and curiosity as a Computer Science student.

## 📑 Projects

**PROPERTY BROKER**

Property Broker is an intuitive web platform designed for renting, buying, and selling rooms or flats. Users can effortlessly list properties with detailed info and images, filter searches by location and budget, and connect directly with owners. It offers a seamless, fast & broker-free experience.
